

Call for Applications

for Homeowners Associations for up to 30 Energy Audits and 10 Technical Designs for Small Apartment Buildings

This Call for Applications invites Homeowners Associations (Asociația de proprietari din condominiu, APC) to apply for one of 30 Energy Audits / one of 10 pilot Technical Designs -free of charge- for their Small Residential Buildings (with max. 20 apartments). Audits and Technical Designs serve to prepare for further Energy Efficiency Refurbishment measures and Renewable Energy Solutions that can be co-financed under the Moldovan Residential Energy Efficiency Fund (MREEF) at a later stage.

This Call is organized by the Energy Efficiency and Renewable Energy in the Republic of Moldova (E4M) project, implemented by the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH with support of the National Center for Sustainable Energy (CNED). E4M is commissioned by the German Federal Ministry for Economic Cooperation and Development (BMZ), with activities under this call receiving financial support from Norway.

Detailed information on the services and the required documents and Annexes to apply under this Call for Applications can be downloaded via following links:

[Application Guide](#)

[Annex 1 Letter of Intent](#)

[Annex 2 Application form](#)

E4M/GIZ will provide further information and support to APC with assistance from external experts. The complete application package shall be submitted electronically

by 16 March 2025

to the following e-mail address: apel.giz@cned.gov.md

For inquiries applicants can call E4M/GIZ by phone: **061 112 444** (Mon-Fri 9-17h)

Thank you for your application!

This document has been prepared by the project Energy Efficiency and Renewable Energies in the Republic of Moldova (E4M), commissioned by the German Federal Ministry for Economic Cooperation and Development (BMZ) and implemented by GIZ with the financial support from Norway. The project implementation is the sole responsibility of E4M/GIZ and can in no way be taken to reflect the views of the Government of Norway.
